

# PROFESSIONAL DEVELOPMENT FOR COMMERCIAL DRIVERS

Better drivers benefit everyone

FORS Associate ID: A00448

CPD Standards Office Provider ID: 50229

# E-LEARNING BASED DRIVER PDP

Programme of monthly CPD accredited Toolbox Talks

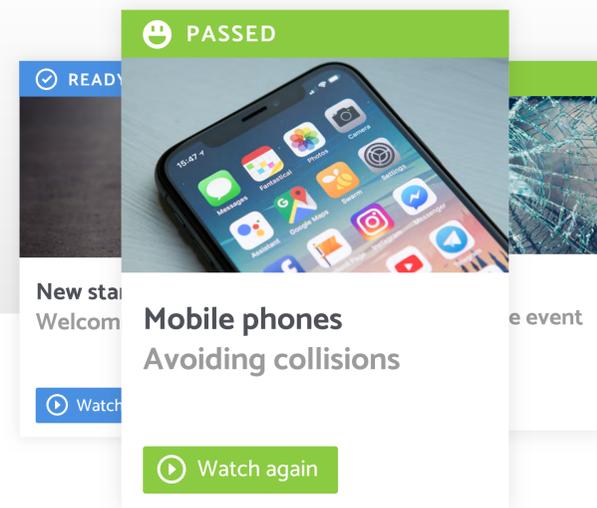

Created by industry and road safety experts

Delivered online at a time of your drivers' choosing

Track progress via the Company Dashboard

Jane Dee	Learner	
Ed Smith	Learner	
Mark Jones	Learner	
Gary Fosket	Learner	
Vlad Riker	Learner	

# OUR PROGRAMME OF TOOLBOX TALKS

Delivered online and accessible via desktop, mobile or tablet

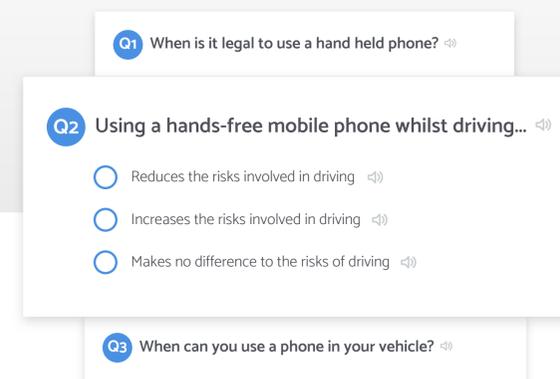

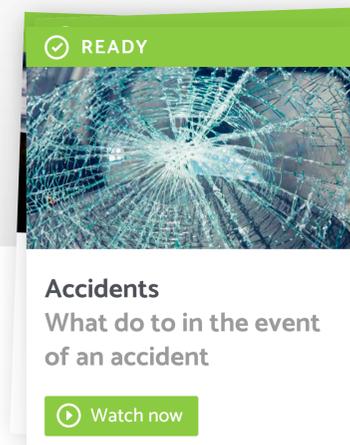

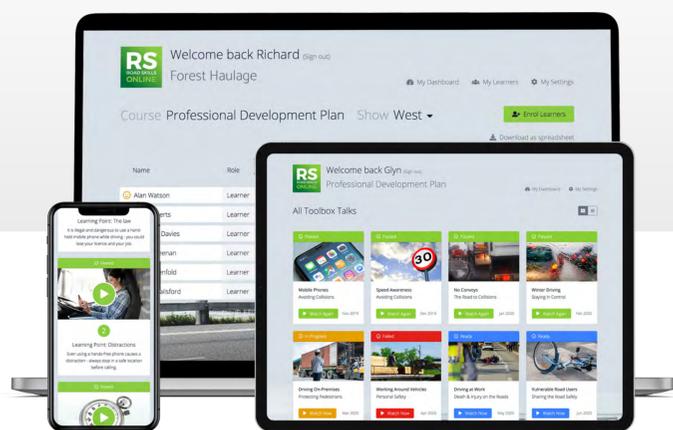

Each talk is no longer than 20 minutes and covers 3 learning points

High-risk, high-frequency topics covered early in the programme

Talks are followed by a multiple-choice quiz to validate learning

# WHY INVEST IN PROFESSIONAL DEVELOPMENT?

Regular professional development has a significant number of benefits for you, your drivers and the public at large.

Compliance and accreditation

Road safety in action

Reduce costly incidents

Reduce the risk of collisions

Reduce staff turnover

Protect your brand image

# COMPLIANCE AND ACCREDITATION

A tick in the box for industry standards and accreditations.

Road Planning Supplies

“I think all road users should do this training”

Andy Donovan  
Altron Communications

“It's given me control of our PDP, saving me time and providing quality relevant training”

Robin Wells - MD  
Direct Chemicals

# ABOUT US

## MEET THE TEAM

Our purpose is to support professional drivers in reducing risks and the burden carried by transport managers and directors in relation to safety, legality, environment and personal wellbeing in the operation of commercial vehicles through technology.
